

QUALITY POLICY STATEMENT

Reliant International Ltd is dedicated to the quality policy that will ensure that its oilfield equipment and products fully meet the requirements of its customers at all times. The goal of Reliant International Ltd is to achieve a high level of customer satisfaction within the business model of mutually beneficial customer-supplier relationship.

The quality policy is based on 3 fundamental principles:

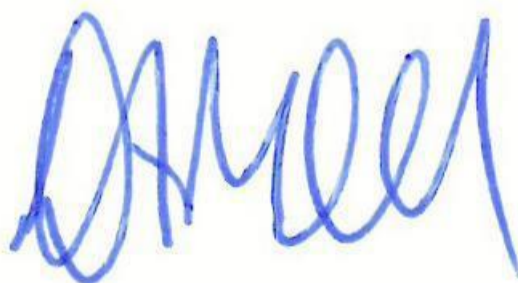

1. Ensuring that we fully identify and conform to the needs of our customers.
2. Looking at our service provision processes, identifying the potential for errors and taking the necessary action to eliminate them.
3. Everyone understanding how to do their job and doing it right first time.

Objectives needed to ensure that the requirements of this policy are met and that continual improvement is maintained in line with the spirit of the policy, will be set, determined and monitored at Management Review.

The quality policy principles and objectives will be communicated and available to staff at all times.

Within this Policy we are committed to operating our Company under the disciplines and control of a Quality Management System conforming to the International Standard ISO 9001:2008.

We believe that these commitments provide the foundation for a sustainable business and growth in Reliant International Ltd.
